

VERMONT ARCHAEOLOGICAL SOCIETY

November 2008

Issue: 1

Welcome to The Vermont Archaeological Society E-Mail Newsletter

Dear

The VAS is launching this email system in order to better communicate with our members. This is an evolving process and hopefully will improve over time as we learn our way.

We hope to provide you with news about the VAS, happenings in the State of Vermont and surrounding states as well as news about our members who have been active in archaeology here as well as other places in the world.

Your input is vital to our success. Provide us with critiques of the design and content. What is it, in other words, that you want see and read about?

We hope to eventually partially replace our printed newsletter, due to the ever increasing cost of printing and postage. A limited amount of newsletters would still be printed for those members that do not have email or would rather have a paper copy.

Below is a list of our current board members. You can write to any one of us to let your thoughts be known, or to Geana Little who, as our ex officio Assistant Editor, has agreed to develop this newsletter. As always our ex officio Editor in Chief, Vic Rolando will provide us with wisdom and guidance!

Brigitte Helzer, *President 2008*

VAS T-Shirts

These T-shirts celebrate the Northeastern Open Atlatl Championships, co-sponsored by the Vermont Division for Historic Preservation and VAS. The VAS logo is featured on the front of the shirt. Art work by James Railey, as shown, is featured on the back.

There are still a few t-shirts left. Look for them at the next VAS event.

Meet our Board of Directors

The governing body of the Vermont Archaeological Society is the Board of Directors, elected by the membership at the Annual Meeting. The Directors meet periodically to carry on the overall operation of the Society. Various committees, comprised of interested general members as well as Board members, report on their efforts at these meetings. Executive officers of the Society are elected by the Board of Directors.

2008-2009 VAS Officers

Some images from last summer's excavation

Please forgive the quality of this, my first attempt at an e-newsletter. I'll get better. Any suggestions are welcome
