Greetings!

Plan your September early. Check out all the VAM events already planned at our [Web site](#).

### IMPORTANT UPDATE

#### **Chimney Point State Historic Site has been closed.**

Because of the construction of the new Lake Champlain Bridge, the state has decided to close the area for safety reasons.

Deadline for receiving event information for inclusion in the Calendar of Events is June 30th.

The Atlatl competition will still be held on the weekend of September 17th to 19th but this year Mount Independence State Historic Site will host the event.

Information should be sent to Georgeana Little at [rgtle@stoweaccess.com](mailto:rgtle@stoweaccess.com).

The decision to close Chimney Point is a recent one and plans are still being revised.

Please continue to check our [Web site](#) or the [Chimney Point Web site](#) for updates or contact the eNewsletter Editor at [rgtle@stoweaccess.com](mailto:rgtle@stoweaccess.com).

## Vermont History Expo 2010

June 26th and 27th

10:00 am-4:00 pm

The Vermont Historical Society is again sponsoring the Vermont History Expo in Tunbridge, VT.

The VAS will have a booth at the Expo and once again we will be conducting the "Little Dig." The dig introduces Expo-goers to the mechanics of an archaeological excavation and has proved very popular in the past.

The Tunbridge fairgrounds have been used for hundreds of years for various purposes. Although the ground is much disturbed some interesting artifacts have been uncovered.

At our booth, we will have a new shipment of T-shirts on sale and the VAM posters, a stunning view of Chimney Point taken the day the bridge was closed, will be available for members. (There will be a small fee for non-members.)

Put the History Expo on your calendar for the weekend of the 26th and stop by the VAS booth and the Little Dig to see what we're about.

Please let us know you heard about this in the eNewsletter.
