## **The Vermont Archaeological Society Electronic Newsletter**

Greetings!

### **Call for volunteers**

During the month of April 2015 the VAS will be assisting the Bixby Memorial Library museum room catalog project. The Bixby Library is located at 258 Main St. Vergennes, VT. The focus of this work is the inventory of Native American artifacts. Thousands of Vermont pre-contact artifacts are in this collection.

The scope of work involves measuring, weighing, photographing, data entry and labeling artifacts. VAS participation will be limited to Saturdays April 11, 18, 25 from 10 A.M. to 1 P.M.

Space is limited so the number of participants must be limited to a maximum of six individuals. If you are interested in helping out please contact Al Oliver [aloahsi8@aol.com](mailto:aloahsi8@aol.com) or call (802) 324-6328. Please get in touch soon if you are interested, even if you are only available for a limited participation.
